## The Trials of Dajjal: The Anti-Christ

by: Imam Belal Ahmad

### Warnings

There are many Ahadith in which the Prophet (PBUH) warns us about the coming of Dajjal. He (PBUH) said: "No prophet was sent but that he warned his followers against the one-eyed liar (Ad-Dajjal). Beware! He is blind in one eye, and your Lord is not so, and there will be written between his eyes Kafir." [Bukhari, 9.245] In another Hadith, the Prophet (PBUH) stated that the appearance of Dajjal is "the worst of all absent things that are expected". (Tirmizi)

### Signs

The signs that lead up to the coming of Dajjal in the ahadith are many. Among them is the following hadith in which the Prophet (PBUH) stated, "There will be three hard years before the Dajjal (appears). During them, people will be stricken by a great famine. In the first year, Allah (swt) will command the sky to withhold a third of its rain, and the earth to withhold a third of its produce. In the second year, Allah (swt) will command the sky to withhold two thirds of its rain, and the earth to withhold two thirds of its produce. In the third year, Allah (swt) will command the sky to withhold all of its rain, and it will not rain a single drop of rain. He will command the earth to withhold all of its produce, and no plant will grow. All hoofed animals will perish, except that which Allah (swt) wills." He (PBUH) was asked, "What sustains people during that time?" He said, "Tahlil, takbir and tahmid (Saying, la ilaha ill Allah, Allahu Akbar and al-hamdulillah). This will sustain them just as food does." [Sahih Al-Jami' as-Saghir, no. 7875]

### Objective and Miracles

Dajjal's primary objective will be to call people to his worship. He will convince them with miracles which he will have the power to perform. Many people will be

awestruck by his representation and take him to be the lord. The Prophet (PBUH) explains, "Like cloud driven by the wind. He will come to the people and invite them; they will affirm their faith in him and respond to him. He will then give a command to the sky: there will be rainfall upon the Earth and it will grow crops. Then in the evening, their pasturing animals will come to them with their humps very high, their udders full of milk and their flanks distended. He will then come to another people and invite them. But they will reject him so he will go away from them; they will have a drought and nothing will be left with them in the form of wealth. He will then walk through the desert and say to it: Bring forth your treasures. The treasures will come out and gather before him like a swarm of bees. He will then call someone in the flush of youth, strike him with the sword, cut him into two pieces and (make these pieces lie at the distance which is generally between the archer and his target. He will then call (that young man) and he will come forward laughing with his face gleaming (with happiness)." (Sahih Muslim #7015)  
The Prophet (PBUH) is also reported to have said that: "He (Dajjal) would have water and fire with him: (what would seem to be) fire, would be cold water and (what would seem to be) water, would be fire." [Sahih Al-Bukhari, 9.244]

### Reign

The Prophet (PBUH) said: "There will be no town which Dajjal will not enter except Makkah and Madinah, and there will be no entrance (road) (of both Makkah

### MONTHLY HADITH

The Prophet (PBUH) said: "Let him who hears of the Dajjal (Antichrist) go far from him for I swear by Allah that a man will come to him thinking he is a believer and follow him because of confused ideas roused in him by him." (Abu Dawud)
